

Thursday 9 August (Nagasaki Day):
6.30pm at Trades Hall

WORKSHOP: NUCLEAR RISKS OF AUSTRALIA'S US BASES

- **Professor Richard Tanter** (Nautilus Institute) will explain nuclear war links and implications of US facilities and troops in Australia.
- **Dimity Hawkins**, anti-nuclear activist and researcher, will discuss whether this fits with international treaties to control nuclear weapons
- **Questions and discussion:** on presentations, and how best to get this information circulating.

Details: Meeting Room 1, Trades Hall, (54 Victoria Street) 6.30pm-8.00pm on Thursday 9 August. Tea and coffee from 6.00pm. Queries mapw@mapw.org.au or 9023 1958. RSVPs helpful. Download this flyer from www.mapw.org.au
